Gary

I am on the road at 8a tomorrow for Philly. I could call in if you want.

DRAFT DELIBERATIVE

Hi all. The simplest thing is to just follow the attached two-pager which covers nearly all of what was mentioned at the Dec meeting I believe.

That's what I've done in the attached word document to help focus our answers.

I still need to send a proposed timeline and invite for our next call. I do propose getting some draft answers down on this list for discussion soon – maybe Friday?
